

A Study on the Gender Pay Gap in Egypt's Tech Market

Collaboration Sheet:

- **Mohamed Walid 23-101283:**
 - Cleaning/setting up the dataset
 - Descriptive analysis
 - Wrote a part of the report
 - Demo video script
- **Omar Mohammad 23-101288:**
 - Carrying out the 3rd Hypothesis
 - Polishing and cleaning out the python notebook
 - Wrote the other part of the report
- **Omar Hesham 23-101302:**
 - Carrying out the 1st Hypothesis
 - Designed the Poster
 - Filled the Poster With appropriate data from our analysis
- **Mohamed Kotb :**
 - Carrying out the 2nd Hypothesis
 - Designed the PowerPoint Presentation
 - Filled the Presentation with appropriate data from our analysis

Finally, I would like to point out that every step of the project was a team effort, each of us took part in coming up with the hypothesis and research questions, in addition, we all contributed in thinking about work arounds for the challenges faced.
